"Volunteers do not necessarily have the time; they just have the heart."
~Elizabeth Andrew.

I believe that we are not put in this World for ourselves, but are placed here for each other. If you are there always for others, then in time of need, someone will be there for you. A strong believer of this, I have been actively volunteering for several organizations. Here are some highlights:

Volunteer Work for Bright Life Foundation, Saint Louis (2013-2016):

- Active Volunteer for Bright Life Foundation (BLF), Saint Louis.

Volunteer Work for TAS (2011-2016):

- Food Committee: As a TAS Food Committee member, I have been actively involved in food planning, preparation, serving and all aspects of kitchen during all TAS events. Worked with fellow Food Committee Members and streamlined food section and improved hospitality during our TAS events.
- Feb-2016 – To-date: Serving on the TAS Board of Directors.

If Elected as TAS Secretary:

- I will discharge my duties to the best of my ability, faithfully and in accordance with TAS by-laws.
- As defined by bylaws, I will make sure to maintain member privacy and other confidential data with utmost care.
- I will make sure to establish communication to members in a timely and balanced manner.
- Work with my fellow members to preserve and promote our Telugu culture and traditions here in Saint Louis and pass them onto our next generation.
